

Welcome to Meta,

The cuisine of restaurant Meta is an authentic tribute to culinary art, which revolves around passion and love for our guest. Our philosophy hinges on the use of the highest quality ingredients and on a combination of Mediterranean tradition and unusually sensational exotic flavours.

Chef Luca Bellanca is the true soul of the kitchen. With his creativity and know-how he guides us in the creation of surprising and innovative dishes. Luca has a unique vision that does not draw boundaries and which, on the contrary, harmoniously combines different cultures. His inspiration comes from his Italian origins, as well as from the expertise he gained working around the world. The kitchen is the beating heart of restaurant Meta; a place where culinary art blends with creativity and passion to create an unforgettable experience.
